

For Teachers: Please read each dialogue to the student as well as the titles of the pieces. Do read the question, but do not read the answers to the question to the student. The answer choices are here for your review. Please have the student read the answer rather than merely saying the number. After each question, please wait for the student to answer the question before continuing.

Part 3 – Passages

L4E 12-1

In this part, you will hear ten passages followed by a question, No. 21 through No. 30. For each question, you will have 10 seconds to choose the best answer and mark your answer on your answer sheet. The passage and the questions will be given only once. Now, let's begin.
