Categorizing

Color and write.

A large illustration for a coloring and writing activity. It features a yellow speech bubble containing a white cartoon cat with a black mustache and a surprised expression. To the right of the cat is a girl with blonde hair, wearing a blue dress, with her hands raised and question marks above her head. Below the girl is an orange and a yellow star. At the bottom of the speech bubble, the word 'Three' is written in a dotted font, followed by three individual dotted numbers '3'. A pink and white megaphone is positioned at the bottom left of the speech bubble, pointing towards the text.
