

**For Teachers:** Please read each of the three options the student one at a time beginning with the option letter. The student will choose one of these options as the correct description of their picture. Once the student has chosen, please have the student repeat the answer back to you. If the student is struggling, please read the options once again, but be aware they will only be read once on the real test.

### 3.Part 3 – Describing Pictures

L5E 12-1

In this part, you have 8 pictures, No. 16 through No. 25. For each picture I will read three possible descriptions. Please choose the one that best describes your picture. For each question, you will have 10 seconds to choose the best answer and mark your answer on your answer sheet. Each choice will be given only once. Now, let's begin.
