When the students finish the article, move on to the further questions.

4[C] – Animals at school

9.1(4C)A4E

Emma is 12 years old. She is from San Francisco, but she lives in Nagoya with her family now.

Her father worked for a car company there.

When Emma started school, she didn't know much Japanese.

On the first day, a student spoke to Emma in English at lunchtime.

Her name was Saya, and she became Emma's best friend.

Further Questions *Ask student to answer the question on their own at first. If the student can't answer correctly, have him look at the last page and read the "example answer" for the question. Have the student try to memorize the answer, if it's too long or difficult, you should divide the sentence into 2 or 3 parts to make it easier to remember. Once they have memorized the answer, the teacher should ask the question one last time so that the student can practice answering. Also if you find any mistakes, please mark the page and let me know ASAP.
