For Teachers: Please have the students read the sentences one at a time and correct their pronunciation of each sentence then have them repeat after you. Wait until after they read the sentence (use the number in place of the missing word) to have the students choose the correct answer to fill in the blank. When the students finish the article, move on to the further questions.

5[B] – Oral Lee Brown

11.2(5B)AP2E

In the United States, graduating from college is often seen as one important $\frac{1}{2}(3+5) \frac{1}{100} \frac{1}$

卒業 (そつぎょう) すること

5. children from a poor area of East Oakland, in California.

Further Questions&A* Ask student to answer the question on their own at first. If the student can't answer correctly, have him look at the last page and read the "example answer" for the question. Have the student try to memorize the answer, if it's too long or difficult, you should divide the sentence into 2 or 3 parts to make it easier to remember. Once they have memorized the answer, the teacher should ask the question one last time so that the student can practice answering. Also if you find any mistakes, please mark the page and let me know ASAP.
