

Eiken Grade G2 Speaking 2017-1A

Online Communication

Many young people use social networking services to exchange news and other information with each other. However, these services are sometimes used to spread information that can hurt people. Now, some websites are making rules against sharing such information, and by doing so they are trying to create a peaceful online environment. It is important to be polite to others on the Internet.

Your story should begin with this sentence: **One day, Keita was talking with his friend, Miyuki.**

- No. 1** According to the passage, how are some websites trying to create a peaceful online environment?
- No. 2** Now, please look at the picture and describe the situation. You have 20 seconds to prepare. Your story should begin with the sentence on the card.
<20 seconds>
Please begin.

Now, Mr./Ms. _____, please turn the card over and put it down.

- No. 4** Some people say that people should be more careful about shopping on the Internet. What do you think about that?
