

## Eiken Grade GP2 Speaking 2017-1A

### Students and Animals

Nowadays, many schools around the world keep animals such as rabbits and birds. They are often called school pets. Students take care of school pets, and by doing so they learn the importance of being kind to living things. Many people think that school pets help students to build good friendships with animals.

**No. 1** According to the passage, how do students learn the importance of being kind to living things?

**No. 2** Now, please look at the people in Picture A. They are doing different things. Tell me as much as you can about what they are doing.
