

Eiken Grade GP2 Speaking 2017-3B

Learning Language

People usually use dictionaries when they learn a foreign language. These dictionaries are often big and heavy to carry. Now, however, there are dictionaries on the Internet. People use online dictionaries with their smartphones, and by doing so they can easily look up words anytime. Technology is changing the way we learn languages.

- No. 1** According to the passage, how can people easily look up words anytime?
- No. 2** Now, please look at the people in Picture A. They are doing different things. Tell me as much as you can about what they are doing.
- No. 3** Now look at the boy in Picture B. Please describe the situation.
