

Eiken Grade P2 2016-1A

Night Tours

Some animals in zoos are more active at night. Nowadays, some zoos are staying open late to show these animals. Zoo guides give talks about the things that animals do at night, and in this way they use night tours to help visitors understand animals better. People enjoy seeing animals in new ways.

A

B

- No. 1 According to the passage, how do zoo guides use night tours to help visitors to understand animals better?
- No. 2 Now, please look at the people in Picture A. They are doing different things. Tell me as much as you can about what they are doing.
