**Sample answer:** 答えを作る時の参考にして下さい。

\_Yes, I think that teenagers having part time job is a good idea because this is a good experience for them. \_Firstly, they would learn the importance of having an increased independence and a sense of responsibility. \_Secondly, they would be able to learn money management skills. For example, having their own money could make them spend it on their favorite past-times or start their own savings account. \_That's why I think it's a good idea for teenagers to have part time jobs. 84words
