_ I think it is a good idea to teach English lessons to kindergarten schools.

_Firstly, in this early stage of children, they will be able to know even just the Basic English so that they will not be shy in the near future. Second, learning a second language in earlier age might have a negative effect. If children have to learn two languages simultaneously, they must be confused. _For these reasons, it is not a good idea to teach English to children in kindergartens. (94 words)
