Sample answer: 答えを作る時の参考にして下さい。

I think high schools need to encourage their students to do volunteer works.

I have two reasons to think so. First, high school students don't have many chances to know about volunteer works.

Second, if they know about volunteer works, they don't know about the details. To join the volunteer works, they should know how they sign in, how long they should do, where they go to join and so on.

High school students should be helped by their schools to join the volunteer works. (85 words)
