**Sample answer:** 答えを作る時の参考にして下さい。

*I think gym classes are important for university students.*

*There are two reasons why I feel this way. First, gym classes are necessary for students to be healthy. Average weights of students are increasing greatly due to the lack of exercises. To prevent this, regular exercises in gym classes are mandatory.*

*Second, gym classes also relieve students 'stress. A research shows that students who do exercises regularly feel less stress. If students don't feel much stress, they can have a positive effect on studies.*

*For the above two reasons, I believe gym classes are important for university students.*
