

1. Dear Chie,
2. I hope you're well.
3. I saw an interesting TV program about technology last night. It said use of the
4. internet in school classrooms is becoming common in the U.S. and Japan. Do you
5. think this is beneficial to students?The program also said many people these
6. days illegally downloaded movies from the Internet. In your opinion, should
7. there be a strict punishment for people who do this?I recently got a portable
8. e-book reader for my birthday, so now I only buy electronic books. Do you think
9. that electronic books are a good idea?
10. Write back soon.
11. Dale

Further Questions&Sample Answers
