1 SUMMER JOBS

2 It has long been a tradition for American high school students to spend
3 their summer vacation working.

4 As well as being a chance to earn money, the summer job has generally been
5 regarded as an important step in the growing up process because it teaches
6 responsibility and **interpersonal** skills.

7 (29), changes in both young people's attitudes and the labor market have
8 strongly impacted the number of teens employed during the summer.

9 Today, approximately one-third of teens have summer jobs-a figure that is
10 roughly half what it was just four decades ago.

Interpersonal 人間相互間の

Further Questions & Sample Answers

For Teachers: Please use the direct method like CALLAN for this part. 1. Ask student to answer the question on their own at first. 2. Then read the "sample answer". 3. Tell student to close their eyes. 4. Let them repeat after you again. Because student can't see the answer. 5. Have the student try to memorize the student answer. 6. Once they have memorized the answer, ask the question one last time.

1) What has been a tradition for American high school students?

1) It has been a tradition for American high school students to spend their summer vacations working.

2) What is the benefit of a summer job?

2) It is a chance to earn money and an important step in the growing process because it teaches responsibility and interpersonal skills.

11 Parents once encouraged their children to take summer jobs to gain basic
12 skills that would serve them later in the working world. However, many
13 students today (30).

14 The Bureau of Labor Statistics found that in the last 2 years, the number of
15 16-to-19-year-olds enrolled in summer school has tripled.

16 As college degrees have become essential for career success and **tuition** fees
17 continue to rise, many students have realized that taking advanced classes
18 during the summer to win scholarships can be more beneficial than working
19 at a **minimum-wage** job.

tuition 授業料 minimum wage 最低賃金

Further Questions & Sample Answers

3) Why is it that students of 16-to-19-year-olds enrolled in summer has tripled?

3) Because college degrees have become essential for career success and tuition fees continue to rise.

4) What did student realize in order to win scholarships?

4) Taking advanced classes during summer can be more beneficial than working.

20 Another factor behind the decreasing popularity of summer jobs may be

- 21 (31). Recently, many teenagers have been choosing to do **unpaid**
 22 **internships** during the summer.
 23 As older adults are remaining in the **workforce** longer than ever, many
 24 young graduates have been losing out to these more experienced applicants
 25 even for entry-level positions. Consequently, the chance to acquire
 26 career-specific skills have become more appealing. With the US economy
 27 strengthening, however, the traditional summer job could begin to make a
 28 comeback.
 29 unpaid 無給の internship インターン workforce 労働力

Further Questions & Sample Answers

5) What other factor is behind the decreasing popularity of summer jobs?

5) *Older adults are remaining in the workforce longer than ever.*

6) If adults will work longer, what effects it could be to young graduates?

6) *They will lose out job even for entry-level positions, need to acquire career-specific skills.*

***Choose the correct answer from these choices.**

31 (29)

1. In other words
