**What am I doing?**

**You're adding 14 and 80.**

**Is it complicated to add the numbers 15 and 30 together?**

**No, it isn't complicated to add the numbers 15 and 30 together; it's simple.**

**What do we add to a regular verb to form its past tense?**

**We add the letters "ed" to a regular verb to form its past tense**

# CORE ED Stage 3 Lesson 186

## jump

Can you jump over this table with both your feet together?

No, I can't jump over this table  
with both my feet together.

Can you jump up and touch the ceiling?

No, I can't jump up and  
touch the ceiling.

Why not?

Because the ceiling's too  
high.
