shall

suggestion

=We use "shall" instead of "will" when we are making a suggestion with the pronoun "I" or "we"

For example: "Shall I open the window?",
"Shall we go to the cinema?" etc.

=We can also ask somebody for a suggestion with "shall"

For example: "What shall I do?",
"Where shall we go?" etc.

When do we use "shall" instead of "will"?

We use "shall" when we are making a suggestion with the pronoun "I" or "we"

Give me some examples, please.

Shall I open the window?

Shall we go to the cinema?

Can we use "shall" to ask for a suggestion?

Yes, we can use "shall" to ask for a suggestion

Give me some examples, please.

What shall I do?

Where shall we go?
