Between among science

Remember:

We use "between" for two people or things, whereas we use "among" for more than two people or things.

For example, "Between the two subjects of history and geography, I prefer geography", and "Among all the subjects I study (or studied) at school, I like (or liked) science the most".

What's the difference between "between" and "among"?

The difference between "between" and "among" is that we generally use "between" for two people or things, whereas we use "among" for more than two people or things.

Give me an example of each, please.

I'm sitting between the teacher and the window.

I'm sitting among the other students..

Is there anybody sitting between you and me?

Yes, there's somebody sitting between you and me ~

No, there isn't anybody sitting between you and me.

Among all the subjects you study at school, which do you think is the most boring?

Among all the subjects I study at school, I think _____ is the most boring.
