## Stage 5 Lesson 275

**compare**

**comparison**

**have something in common**

**Can we compare Michelangelo with Napoleon?**

**No, we can't compare...**

**Why not?**

**Because they were two completely different kinds of people, who did different things from each other.**

**What must two people or things have if we want to make a comparison between them?**

**If we want to make a comparison between two people or things, they must have something in common**
