### (1) Conversation

#### Could you tell me...?

- Customer: Could you tell me which one of these dresses look good on me?
- Sales Person: The blue blouse looks good on you, ma'am.
- Customer: What skirt would you recommend to go with this?
- Sales Person: Any dark colored skirt will go nicely with that blouse. May I ask, for what purpose will you be using it?
- Customer: Well, I'm looking for something I can use for work and can still use them casually.
- Sales Person: A good pair of heeled shoes will make it stylish. You can put on a pair of denims to make the blouse casual.
- Customer: I'll try that. Thanks for the advice.
