I'd like to have a spare key

Guest: Hello. I'd like to have a **spare key** for my room.

Receptionist: I'm sorry sir, but we do not allow giving spare key to guests.

Guest: I left my room key with my friend, that's why I need a spare to open my room.

Receptionist: Would it be alright if I send a **bellboy** to open it for you instead?

Guest: Okay, that would be fine.

I'd like to have an official receipt

Receptionist: Hello. Your bill is 5000 plus **additional charge** of 2,000 for watching movies.

Guest: I didn't watch any movies.

I'd like to have an **OR**.

Receptionist: Our record here shows that you watched movies two days ago and yesterday midnight.

Guest: I don't remember watching any movies.

I was not even in my room two days ago and I just came back this morning.

Receptionist: Let me check again, sir.

Guest: Thank you very much.
