

## Unit13. 電車に乗る

### Train ride (2)

#### (1) Conversation

#### May I know the easiest way to get to...?

Boy: Excuse me, may I know the easiest way to get to the market?

Police: You can take the bus or the train.

Boy: Which is faster? The train or the bus?

Police: Take the train.

Boy: May I know what time the train leaves?

Police: A train passes the market every 15 minutes.

#### May I ask how much your one-way ticket is?

Tourist: May I ask how much your **one-way** ticket is?

Operator: That would be \$100.

Tourist: Do you give a discount if I reserve now?

Operator: Unfortunately, it has a fixed price.

However, we have a promo if you buy a **round-trip** ticket. It's just \$180.

Tourist: I will be able to save \$20. Okay, a round-trip ticket please.

Operator: I will reserve you a ticket for you now, sir.

## (2) Activity 1

Grammar Focus

Spaced words as adjectives with nouns; hyphenated compounds as adjectives or nouns:

left hand, left-handed, left-hander; right hand, right-handed, right-hander

Can you spot any errors in the use of compounds in the following sentences?

1. The war in Iraq has been a closely-monitored media event.
2. The Department of Transportation maintains rights-of-way alongside all roadways.
3. Follow up activities have been scheduled for June and July.
4. We must follow up on these changes.
5. Long term planning must be an essential goal of this company.
6. The committee centers all of its recommendations in performance based standards.

## (3) Activity 2

Roleplay with the coach.
