

Unit15. 道を尋ねる

Which way (2)

(1) Conversation

May I ask where the nearest...?

Winnie: Hello. May I ask where the nearest barber shop is?

Choy: Hmm. Go to Bruno's barber shop.

Winnie: Is it near here?

Do you think I can get there by walking?

Choy: Yes, it's just two streets away.

Winnie: I see. Thank you very much.

Choy: You're welcome.

May I ask which way should I take...?

Stranger: Excuse me. May I ask which way should I take going to the market?

Lady Guard: Go straight ahead and make a left at the intersection.

Stranger: How long does it take to get there?

Lady: Or just go straight ahead, but you can get caught up with the traffic.

stranger: I see. Is that the nearest way to get there?

Lady: Yes. But if you are in hurry, you take the long

way where there is no traffic jam.

I think that's the fastest way.

Stranger: Okay. Thank you for that information.

Lady: Sure, ma'am.

(2) Activity 1

Preposition of Location

Give more sample words.

(3) Activity 2

Roleplay with the coach.

Give direction

Case A: The coach will be the tourist and
student will be the guide.

Case B: Exchange roles, use the sample questions
asking for directions.
