

INT: GRU'S CAR - DAY

Gru and the girls drive home. Gru is feeling very good.

MARGO

But what about the other people who
ordered cookies?

GRU

Life is full of disappointments.
For some people.

Agnes sees something out the window. She points.

AGNES

Aaaighhh!

The vehicle swerves as Gru tries to figure out what is wrong.

GRU

Don't do that.

Out the window is the MOST FUN AMUSEMENT PARK EVER! The girls stare out the windows at it, instantly excited.

AGNES

Super Silly Fun Land! Can we go?
Please?

GRU

No.

EDITH

But we've never been! And it's the
funnest place on earth!

GRU

Don't care.

GIRLS

PLEASE? WE'LL NEVER ASK FOR
ANYTHING ELSE EVER AGAIN!
PLEASE???

Gru thinks to himself...

MINDFLASH:

Gru is standing at the base of a huge rocket-powered rollercoaster frame. The girls are in the first cart. He pulls a lever and the girls shoot off into the distance.

END MINDFLASH.

Gru snaps back to reality, his plan cemented.

GRU
Liiiiight bulb.

EXT: SUPER SILLY FUN LAND - DAY

Gru stands at the turnstile. He laughs as he checks out the exit to the park.

Gru and the girls are in Super Silly Fun Land. The girls get into a rollercoaster car.

EDITH
Come on.

GRU
Goodbye have fun.

Gru heads towards the exit.

The PARK WORKER turns to Gru.

PARK WORKER
Uh, Sorry dude-- they can't ride without an adult.

Gru stares at the park worker.

GRU
What? Ugh.

EXT: ROLLERCOASTER - LATER

CLOSE ON Gru's face. PULL BACK TO REVEAL that he is on the rollercoaster as it slowly goes up an incredibly steep incline. His knees stick out of the tiny car.

Then suddenly the car plummets down. The girls scream, having the time of their lives. Gru screams, not having the time of his.

EXT: ROLLERCOASTER - LATER

The rollercoaster goes through several loops and corkscrews in a row. The girls are loving it. Gru is getting whipped around mercilessly.

EXT: SUPER SILLY FUN LAND - DAY

Several hours of rollercoaster riding later, the girls and a beaten and battered Gru leave the ride, passing by a photo of them on a video screen--the girls having the time of their life. Gru about to throw up, frowns.

Suddenly Agnes sees something off-screen and points.

AGNES (O.S.)
Oh my gosh look at that fluffy unicorn!

A FLUFFY UNICORN is the main prize at the shooting gallery.

AGNES
He's so fluffy I'm gonna die!!!

MARGO
You gotta let us play for it.

GRU
No, no, no.

AGNES
Come on!

Gru sighs and addresses the slimy VENDOR.

GRU
How much for the fluffy unicorn?

VENDOR
(chuckles)
Well...it is not for sale. But all you gotta do to win it is knock down that little spaceship there.

The vendor points to the smallest of the spaceship targets.

VENDOR
It's easy!

Gru nods. He slaps a dollar bill on the table. The vendor slurps on his drink, and presses a button that opens the curtains and readies the cork guns.

AGNES
Yay!

They take aim and open fire! POP! POP! POP! They all miss.

AGNES
Again!

MARGO
Wait!

EDITH
Ah come on. One more time.

AGNES
Just one more! I accidentally
closed my eyes!

Gru slaps down another bill.

POP! POP! POP! This time Agnes's cork hits the target.

AGNES
I hit it, I hit it! Did you see
that? I hit it!

The video sign above the game reads: "YOU LOSE." Gru reacts.

EDITH
Awww.

GRU
Whoa, whoa, whoa...What was that?
She hit that! I saw that with my
own eyes!

The Vendor gives Gru a smarmy smile. He flips through a
stack of dollar bills.

VENDOR
Hey, buddy. Let me explain
something to you.

The vendor points to the back of the range.

VENDOR
Ya see that little tin spaceship?
You see how it's not knocked over?
Do you know what that means,
professor?

The vendor leans over the counter and gets right in Gru's
face.

VENDOR
It means you DON'T GET THE UNICORN!
Someone's got a frowny face.
Better luck next time!

Gru stares at the vendor, his blood beginning to boil. He remains calm and smiles at the vendor.

GRU
Okay, my turn.

Gru calmly reaches into his coat and pulls out a small gun that transforms into an enormous RAY GUN.

BLAM! A bright blue RAY BLAST connects with the back of the shooting range, leaving no sign of the targets just a giant gaping hole. Gru turns to the vendor.

GRU
Knocked over.

The vendor trembles, silenced. Gru pockets his weapon and grabs the unicorn. He hands it to Agnes. Margo and Edith cheer and Agnes hugs the animal tightly.

AGNES
IT'S SO FLUFFY!

MARGO
That was awesome!

EDITH
You blew up the whole thing!

AGNES
Let's go destroy another game!

And then it happens: actually connecting with the girls and enjoying being with them, Gru allows a small smile to creep across his face.

INT: GRU'S LAIR - NIGHT

Gru and the girls return to the lair later that night, laughing and sharing in the excitement of the day. Gru's arms are full of goodies and souvenirs from Super Silly Fun Land. Gru and the girl's faces are painted.

Gru hears a THROAT CLEARING.

They all turn and see Dr. Nefario waiting for them. He stares at Gru who turns to the girls.

DR. NEFARIO
Gru, do you mind if I had a quick word?
