

EXT: GRU'S SHIP - SAME

Gru, Nefario and the girls watch.

EXT: SPACE

The moon expands from a tiny dot in the sky to its normal size.

EXT: MOON - SAME

Vector opens his eyes and looks around. Sees that he is alone on the moon which is now full size. Scratching his head.

VECTOR

Oh poop.

INT: TV STUDIO - NIGHT

Our favorite Newscaster is on TV.

NEWSCASTER

This time good triumphs and the moon has been returned to its rightful place in the sky. But once again law enforcement is baffled! Leaving everyone to wonder: who is this mysterious hero? And what will he do next?

INT: GIRLS' BEDROOM - LATER

Gru walks the girls into their room. They are now in their pajamas and mellowed out.

GRU

Okay girls, time for bed.

EDITH

Aw come on! We want a story.

AGNES

Three Sleepy Kittens!

GRU

Oh no, sorry that book was accidentally destroyed maliciously. Tonight we are going to read a new book.

The girls react. Gru got a book? He reaches into his coat and pulls out a homemade book called One Big Unicorn.

GRU
This one is called...One Big Unicorn. By...who wrote this...
oh me! I wrote it!
Oh look -- it's a puppet book!

He sticks his nose through a hole in the book, creating a horn for the unicorn on the cover.

GRU
That's the horn.

The girls laugh at this.

AGNES
This is going to be the best book ever!

GRU
Not to pat myself on the back, but yes it probably will be. Here we go.

Gru opens it up and begins reading.

GRU
*One big unicorn, strong and free,
Thought he was happy as he could
be,*

The unicorn in Gru's illustration somehow resembles Gru himself. Gru turns the page.

GRU
*Then three little kittens came
around,
And turned his whole life upside-
down.*

The three kittens in Gru's illustration look a lot like Margo, Edith and Agnes. Edith points.

EDITH
Hey--that one looks like me.

GRU
What are you talking about? These are kittens! Any relation to persons living or dead is completely coincidental.

Margo smiles a knowing smile. Gru turns the page. The unicorn and the kittens are riding in a roller-coaster.

GRU
*They made him laugh. They made him
 cry.
 He never should have said good-bye.*

He turns to the last page, an image of the unicorn and the kittens inside a heart.

GRU
*And now he knows he could never
 part
 From those three little kittens
 that changed his heart.
 (beat)
 The End.*

He closes the book. The girls look at him, clearly touched.

GRU
 Okay, alright. Goodnight.

Gru gets up and heads for the door. Turns out the light. Stands there for a bit.

Then walks back to Agnes and gives her a kiss goodnight. Then he kisses Edith. Then he bends down to kiss Margo--who gives him a big hug.

MARGO
 (whispers)
 I love you.

Gru smiles, trying to hold all his emotions inside.

GRU
 I love you, too.

INT: HALL - CONTINUOUS

As he enters the hall, he sees the Minions assembled for good-night kisses.

GRU
 No! No!

The minions all sigh, disappointed.

GRU
Oh all right.

He kisses them on the heads.

A familiar looking minion goes to the front of the line again.

GRU
Didn't I get you already?

The minion giggles and runs off.

INT: GRU'S UNDERGROUND LAB - NIGHT

Nefario struggles with a video camera. Close on a curtain. Classical music begins to play and the curtain opens, revealing Margo, Edith and Agnes dressed in their dance outfits. They all move in unison and begin their routine. Gru watches from the front row of the audience, beaming.

A minion plays the role of DJ, and dances a little ballet in sync with the girls.

Gru is the ultimate proud parent.

GRU
They're very good.

We now see Nefario is sitting next to Gru filming the performance.

Gru's Mom sits next to Gru.

GRU'S MOM
Oh, I'm so proud of you, son.
You've turned out to be a great
parent -- just like me. Maybe even
better.

Gru attempts a smile.

Suddenly another minion DJ gets an idea. He shoves the ballet minion out of the way and slaps on some vinyl.

YOU SHOULD BE DANCIN' by the BEEGEES fills our ears! The girls switch into full-on funk mode.

Agnes smiles down at Gru and motions for him to come up on stage with her.

Gru smiles and waves her off. Then Margo and Edith join in. Waving for him to join them. Gru smiles uncomfortably and waves.

GRU
No, I'm fine! Go ahead!

Margo pulls him part way on stage. Gru resists and attempts to sit back down, but a wave of minions carries him the rest of the way.

GRU
No, no, no.

GRU
Hey! Agh.

There's no getting out of this now. He takes the stage and the crowd goes crazy.

Gru takes a deep breath and--

Breaks into a crazy dance routine!

The crowd goes crazy. Cheering and giving Gru a standing ovation.

Dr. Nefario dances on stage with Gru's Mom.

Up on stage, Gru looks down at the girls who are simultaneously stunned and impressed. Gru leaps into the air and prepares to do the splits, but instead lands awkwardly on the stage.

VZZZZRRT! The stage begins to raise up into the air and the "moon roof" opens revealing a huge full moon.

EXT: THE MOON

Vector is moon walking on the moon to the beat of the song. The floating minion dances too.

BACK TO SCENE

The platform raises above the houses of the neighborhood, and Gru and the girls stare out at the huge full moon.

THE END
