Useful Expressions

1. close enough for government work - sufficiently close; done just well enough. (Alludes to the notion that work for the government is not done with care or pride.)

Ex.: I didn't do the best job of mending your shirt, but it's <u>close</u> enough for government work.

2. Kings have long arms - Those who are in power can always catch and punish people who have opposed them, no matter how far away those opponents may go.

Ex.: No matter how difficult to punish the criminals ,the police knows the <u>kings have long arms</u>.

3. Corridors of power - This term refers to the higher levels of government or administration where important decisions are made.

Ex.: The matter is the subject of much discussion in the <u>corridors of power at the present time.</u>

4. Crack the whip - If you *crack the whip*, you use your authority to make someone obey you or work more efficiently, usually by threatening them.

Ex.: Every so often I'll <u>crack the whip</u> to make sure we meet the deadline.

5. big fish in a small pond - This term refers to an important or highly-ranked person in a small group or organisation.

Ex.: He could get a job with a big company but he enjoys being a big fish in a small pond.
