Vocabulary

1 globalization / ˌglɒbələɪˈzeɪʃn/

[noun] the fact that different cultures and economic systems around the world are becoming connected and similar to each other because of the influence of large multinational companies and of improved communication

Ex. We must take advantage of the increased globalization of the commodity trading business.

2 dominate /ˈdɒmɪneɪt/

[verb] to have control over a place or person/ to be the largest, most important, or most noticeable part of something

Ex. They should work as a group, no one is allowed to dominate.

3 competition /ˌkɒmpɪˈtɪʃn/

[noun] a situation in which someone is trying to win something or be more successful than someone else:

Ex. There's a lot of competition among IT companies.

4 multinational /ˌmʌltiˈnæʃnəl/

[adjective] existing in or involving many countries

Ex. Our market is dominated by many multinational companies.

[noun] a large and powerful company that produces and sells goods in many different countries

Ex. The country's industry is largely controlled by the multinationals.

5 identity /aɪˈdentɪti/

[noun] the characteristics, feelings or beliefs that distinguish people/groups from others (national/cultural/personal/group identity)

Ex. Experiencing something from another country does not take away your national identity.

Idioms / Useful Expressions

1 from all corners of the world: from all places in the world.

Ex. People came from all corners of the world to attend the conference.

2 a global village: all the countries of the world when thought of as being closely connected by modern communication and trade

Ex. As citizens of the global village, we cannot ignore our obligations to others.

3 a world traveler/ a globetrotter: a person who travels regularly to countries all over the world

Ex. Japan last month, New York next month - you've become a regular globetrotter, haven't you?
