

## Eiken Dual-RSP G2

### Reading & Speaking Practice Lesson #4

#### Story

At most companies, **full-time employees** have to come to work at the same time. These days, however, some companies have introduced a **system** that **allows** employees to decide when to start working. Employees use this system so that they can leave the office earlier to be with their families. It may become common for more companies to use such systems in the future.

#### Vocabulary

**full-time**

**employee**

**system**

**allow**
