### **EXTERIOR FJORD — DAY**

*Kristoff and Sven bound off the mountain and sprint across the frozen fjord waters and right into the heart of the storm. Its white-out wind pushes them back. But they fight through.*

**KRISTOFF:** Come on, buddy, faster.

*Anna and Olaf reach the shore of the fjords.*

**ANNA:** Kristoff!

*The wind lifts Olaf up and pulls him apart. He goes swirling off into the storm.*

**OLAF:** Keep going, Anna!

*Anna struggles on*

**ANNA:** Kristoff!

*Kristoff rides Sven past cracking, frozen ships. Sven struggles over the uneven surface.*

**KRISTOFF:** Come on! Come on!

*Suddenly, a mangled ship, risen by ice, capsizes over them. They give it all they've got as debris falls all around them and the mast shatters. They make it past just as the entire ship slams down and cracks the thick ice beneath their feet. The ice opens up. Sven bravely jumps over a gap. But it's too wide. He bucks Kristoff to safety, but lands in the freezing water and disappears below.*

**KRISTOFF:** Sven? Sven!

*At first there's nothing but the wind and the tumbling icy water. But suddenly, Sven surfaces and claws his way to a floating ice chunk. He calls out, signalling for Kristoff to go on.*

**KRISTOFF:** Good boy.

*Anna moves blindly across the fjord. Anna's hands frost over an icy blue. She stumbles on, determined. But she's running out of time. She clutches her chest. The color in her eyes fades, the inevitable is coming. Kristoff, lost in the white-out, doesn't know which way to turn. But then he hears a faint--*

**ANNA (O.S.):** Kristoff.

**KRISTOFF:** Anna...? Anna!

*Elsa struggles through her own storm, but the fear is consuming her. A dark shadow approaches. It's Hans.*

**HANS:** Elsa. You can't run from this!

*Elsa backs away from him.*

**ELSA:** ...Just take care of my sister.

**HANS:** Your sister? She returned from the mountain weak and cold. She said you froze her heart.

**ELSA:** What? No.

**HANS:** I tried to save her, but it was too late. Her skin was ice. Her hair turned white...

*Elsa's face sinks as she realizes what she has done.*

**HANS:** Your sister is dead... because of you.

*Elsa drops to her knees, emotionally broken. And with that, the swirling storm suddenly stops. The snow freezes mid-air, hangs suspended, trapped in grief. Citizens and dignitaries rush to the wall's edge and look out to see... Anna, barely able to move but now able to see across the fjords to...*

**ANNA:** (a whisper) Kristoff.

**KRISTOFF:** Anna.

*Anna pushes on towards Kristoff. He runs top speed towards her. There's still a lot of fjord to cross, but Kristoff is giving it all he's got. He's going to make it. But then, Anna hears the sound of a sword being drawn from its scabbard. She turns and sees Hans, behind Elsa, as he raises his sword over his head.*

**ANNA:** Elsa.

*Anna looks back at Kristoff as he runs for her. She gives him a longing look, but then turns away from him and then... Using all of her remaining strength, as Hans brings his sword down, Anna throws herself in front of Elsa.*

**ANNA:** No!

*In that instant, Anna freezes to solid ice. The sword hits her instead of Elsa. The sword shatters completely. The force of it sends Hans flying back and knocks him out.*

**ELSA:** Anna!

*Elsa rushes to Anna and touches her sister's frozen face.*

**ELSA:** Oh, Anna...no...no, please no.

*Olaf walks up and sees Anna, frozen.*

**OLAF:** (confused, sad) Anna?

*Elsa hugs Anna and cries. Kristoff watches in shocked despair. Sven steps up to his side. Citizens and dignitaries on the castle walls bow their heads. All of Arendelle is joined in somber silence. But then, Anna warms. She begins to thaw. Olaf looks up and gasps. Kristoff and Sven notice, light up. Anna bends her arm and embraces Elsa.*

**ELSA:** Wha-? Anna?

*Anna opens her eyes. She smiles at Elsa, relieved.*

**ANNA:** Oh, Elsa.

*They embrace.*

**ELSA:** ...You sacrificed yourself for me?

**ANNA:** (weak) ...I love you.

*Olaf realizes what's happened. He's so excited about it, he lifts his head right off his body and exclaims--*

**OLAF:** An act of true love will thaw a frozen heart.

**ELSA:** (processing) Love...will thaw... (realizing) Love.... Of course.

*Elsa looks at Anna with confidence.*

**ANNA:** Elsa?

**ELSA:** Love.

*Elsa lifts her arms, and the ground shakes and cracks. The ice and snow breaks away and rises high into the air. Beneath their feet the bow of a ship thaws. The entire fjord melts and other boats right themselves. The villagers come out to see the warmth returning. In one final wave, Elsa draws all of the snow into a giant snowflake in the sky, then waves it away, leaving only a warm summer day.*

**ANNA:** I knew you could do it.

**OLAF:** (melting, good-naturedly) Hands down, this is the best day of my life...and quite possibly the last.

**ELSA:** Oh, Olaf. Hang on, little guy.

*Elsa waves her hand and surrounds Olaf with a swirl of cold air. He refreezes. Above his head she leaves a little, perpetually-snowing storm cloud. Olaf loves it.*

**OLAF:** Hey, my own personal flurry.

*Kristoff sees Hans trying to get to his feet. He marches toward him, prepared for a fight. But Anna puts up a hand and stops him.*

**ANNA:** Uh. Uh. Uh.

*She'll handle this. She goes over to Hans.*

**HANS:** (confused) Anna? But she froze your heart.

**ANNA:** The only frozen heart around here is yours.

*She turns away from him, proud of her words. But not yet satisfied, she turns back and punches him right in the face.*

**HANS:** Ah! Whoa, whoa, whoa!

*He falls overboard. Elsa comes over to Anna and hugs her. Over her shoulder, Kristoff meets Anna's eyes. She smiles brighter, happy.*
