

## Bone Idioms Lesson 11 - Beginners

### **know (something) in one's bones**

I know it in my bones that I am not going to pass my English exam.

- know and sense something, have an intuition about something

### **skin and bones**

- a person or animal that is very thin/skinny

The dog was skin and bones after his owner stopped giving him food.

### **to the bone**

- entirely, to the core

He was wet to the bone after staying out in the rain for two hours.
