

## Blood Idioms Lesson 7 - Beginners

### **make (someone's) blood boil**

- make someone very angry

It makes my blood boil to think about what the supervisor did to one of the employees.

### **in one's blood**

- built into one's personality or character

My cousin has music in her blood and she has always been very good at it.

### **make (someone's) blood run cold**

- shock or horrify someone

It made my blood run cold when I saw the little boy run into the road.
