Lesson 7: Stay Calm

Vocabulary

roof, often used for storing things.

Practice:

| Calm - peaceful, quiet, or relaxed; without hurried movement, anxiety, or noise. | The pilot said we'd have to make an emergency landing, and the flight attendants tried to keep us calm. |
|--|---|
| Panic - sudden, strong feeling of anxiety or fear that prevents reasonable thought and action and may spread to influence many people. | When fire broke out, 602 people died in the panic that ensued. |
| Attic - a space in a house just under the | There are a lot of unused things in the |

attic.

Dialogue Reading:

Everything will be fine

Dad: What is going on here? Why are you all in a panic?

Mom: Lou is gone! I don't know where he went or what he's doing now!

Dad: How long has he been gone?

Annie: I think he's gone for almost 4 hours now.

Dad: Did you search the house? The backyard? In the attic?

Mom: Yes! We already did! Brian please find our son! I don't know what to

do now.

Dad: Sherry, stay calm. I am sure our son is around, but I'll go ahead and

call the police now.

(suddenly the telephone rings)

Mom: Hello? Who is this?

Lou: Mom, it's Lou!

Mom: Lou! Where are you?! We're very worried about you because you've

been gone for almost 4 hours now!

Lou: Mom, it's okay! I'm at grandma's house. You were still sleeping this

morning, so I did not bother to wake you up to ask permission to visit

grandma today.

Mom: Oh, thank goodness! You made us very worried about you. You'll stay

there tonight?

Lou: Yep! Grandma and grandpa will come to our house tomorrow.
