Ice Cream in America

Who invented ice cream? We don't know, but ice cream has a long history in the United States. In 1843, Nancy Johnson invented the first ice cream churn. The first ice cream factory opened in Baltimore in 1851. A man in St. Louis made the first ice cream cone in 1896. Ice cream is now one of America's favorite desserts.

The first ice cream shop opened in New York in 1876. Now there is an ice cream shop in every town, and you can buy ice cream at every grocery store. You can find a lot of flavors, from tomato to pickle. America's favorite flavors are vanilla and chocolate. What's your favorite?
