English Teachers On Call

TOEIC WORKBOOK PART 4-C INSTRUCTION:

In Part 4 of TOIEC you will listen to a short talk. It might be an announcement, a radio advertisement, or a telephone recording. You will listen to the talk and read a few questions about it.

Hello. This is Mrs. Gail Winston. My phone number is 555-777-222. I'm returning a call from a Mr. Gald Ambers or Anders. I couldn't get his name when he left his message. He wanted to verify my home address. My address is 2246 (two-two-four-six) Dale Lane. That's 2-2-4-6 Dale Lane. Be sure to put Lane because there is also a Dale Road and a Dale Circle. If Mr. Ambers or Anders has any further questions, he may call me after three this afternoon.

1. What is the woman calling?

- a.) To return a phone call.
- b.) To ask for Gald's address.
- c.) To verify her phone number.
- d.) To make an appointment with Gald.

2. What is she confused about?

- a.) The reason for Gald's phone call.
- b.) The time she should call back.
- c.) The name of her street.
- d.) Gald's last name.

3. When can Gald call her back?

- a.) before noon.
- b.) At noon
- c.) This afternoon
- d.) After three days

Now for the local news. Resident of Marlboro Country are still without power. The heavy rains and strong winds that swept through the country last night tore down power lines and left 15,000 residents without electricity. Work crews have been working all night to restore power, but the winds, which remain strong , are making their work difficult. The Power Company expects that the western part of the country will be able to turn their lights this evening, but the rest of the country will be lucky to have the electricity by tomorrow night.

1. Why did country residents lose electric power?

- a.) There was a big problem.
- b.) There are too many residents in the country.
- c.) Work crews are installing a new system.
- d.) Power Company employees are on strikes.

2. How many residents don't have power?

- a.) 15,000
- b.) 50,000
- c.) 100,000
- d.) 150,000

3. Who will have power this evening?

- a.) Power company employees.
- b.) The western part of the country.
- c.) Just a few luck residents.
- d.) The entire country.

We are pleased to announce that the La Force Fitness centre will open the first of the month, December 2. Our year long renovation is complete and to celebrate, we are offering free orientation sessions for citizens of our community. Come and see our 40,000 square-foot complex. Take a swim in an Olympic-size pool. Play a round of golf on our championship golf course. Climb on our 60-foot rock wall. For a limited time, we're offering two for-one memberships. Bring a friend to our orientation sessions. If one of you signs up, the other will receive a club membership free.

1. What is the big announcement?

- a.) A golf tournament.
- b.) The opening of a sport facility.**
- c.) The start of a renovation project.
- d.) Reduced-price orientation sessions.

2. When will the event take place?

- a.) December 2.**
- b.) November 24.
- c.) December 1.
- d.) December 21.

3. What special offer is being announced?

- a.) Free golf clubs.
- b.) Private swim lessons.
- c.) Two for one memberships.**
- d.) Overnight rooms for the guests.

3. What are passengers allowed to take on the train?

- a.) Nothing.
- b.) Small bags.
- c.) Large suitcases.
- d.) Musical instruments.

Good evening. Welcome to the first lecture in our series “The Wonders of Nature”. In this seven-lecture series, we’ll cover a variety of interesting topics such as insect life, exotic plants, desert ecology, life in the ocean and many more. We have a number of interesting speakers lined up. Now I’d like to introduce tonight’s speaker, Patricia Mora, who will tell us about exotic butterflies of Central America. Before her talk, Ms. Mora will show us a video taken on her recent trip to Central America. And please don’t forget, all the wonderful butterfly photos you saw on display when you came in will be on sale at the end of the talk. All proceeds will go to the Save Butterfly Fund.

1. How many lectures are there in the series?

- a.) Seven.
- b.) Ten.
- c.) Eleven.
- d.) Seventeen.

2. What is the topic of tonight's lectures?

- a.) Butterflies
- b.) Deserts
- c.) Oceans
- d.) Plants

3. What will happen after the talk?

- a.) A trip to Central America will be organized.
- b.) There will be a display of butterflies.
- c.) The speaker will show a video.
- d.) There will be a safe of photos.
