**Are you getting ready to put your house on the market?
Are you thinking of selling if yourself?
Don't do it on your own!**

Research has shown that on the average real estate agents get a 30% higher sales price on single-family homes than owners who try to do the selling themselves.

Come learn the ins and outs of the real estate market and how to get the best possible price for your house. On Friday, March 21, 2014 at 7:30 P.M., Ms. Miranda Ortiz, a real state agent with over twenty years' experience in the field, will talk about the current competitive real estate market and strategies for pricing and selling your single-family home or apartment. A question and answer session will follow the talk and refreshments will be served. Admission to this event is free, but because of the high level of interest, reservation are required.
