**We're hungry.**

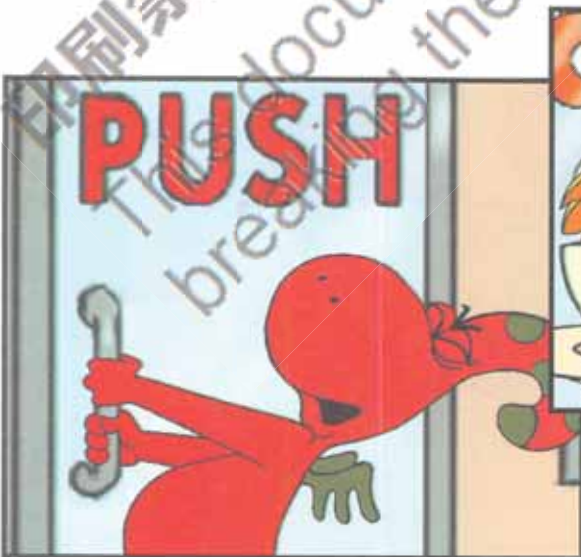

Tony and Jenny are waiting for a bus.

They go to a cafe.

Hm!

We can sit there.

Yes?

The waiter comes along.

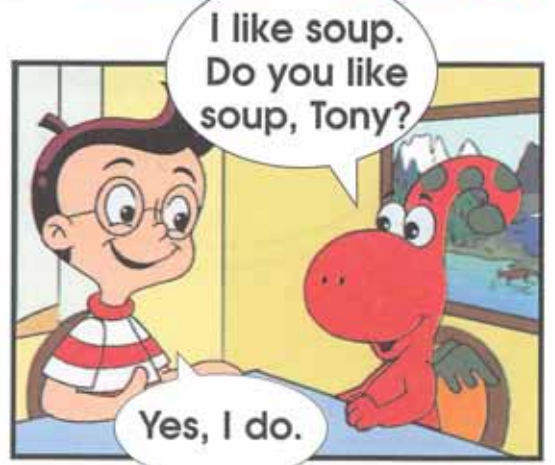

Gogo moves the man's soup so he can look at it.

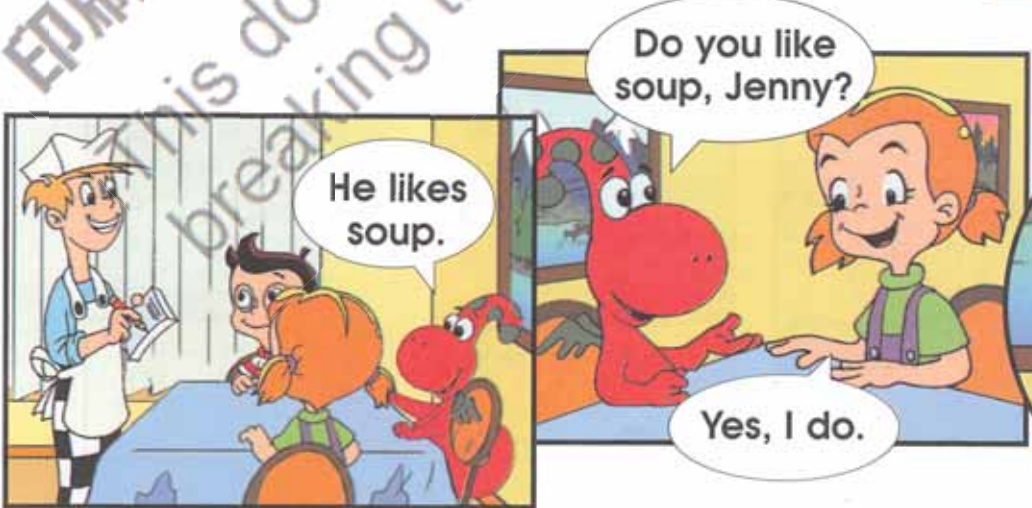

What's this?

It's soup.

I like soup. Do you like soup, Tony?

Yes, I do.

He likes soup.

Do you like soup, Jenny?

Yes, I do.

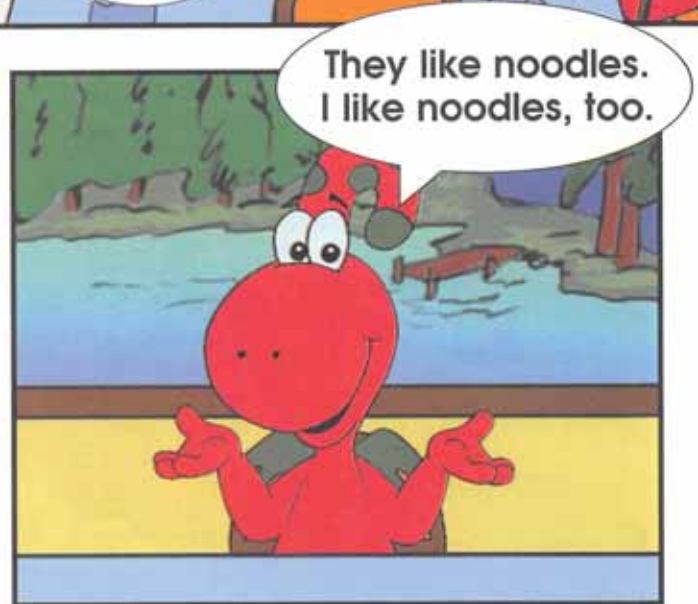

She likes soup. I like soup, too.

Then Gogo sees a bowl of noodles.

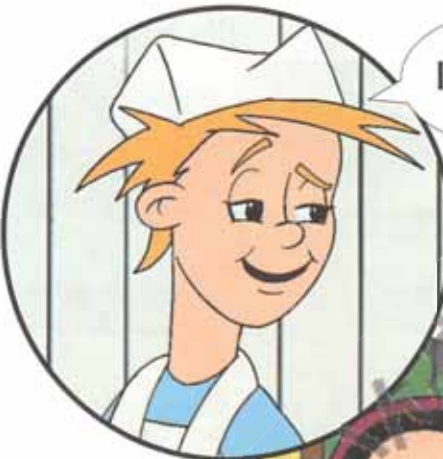

He starts to move it but Jenny stops him.

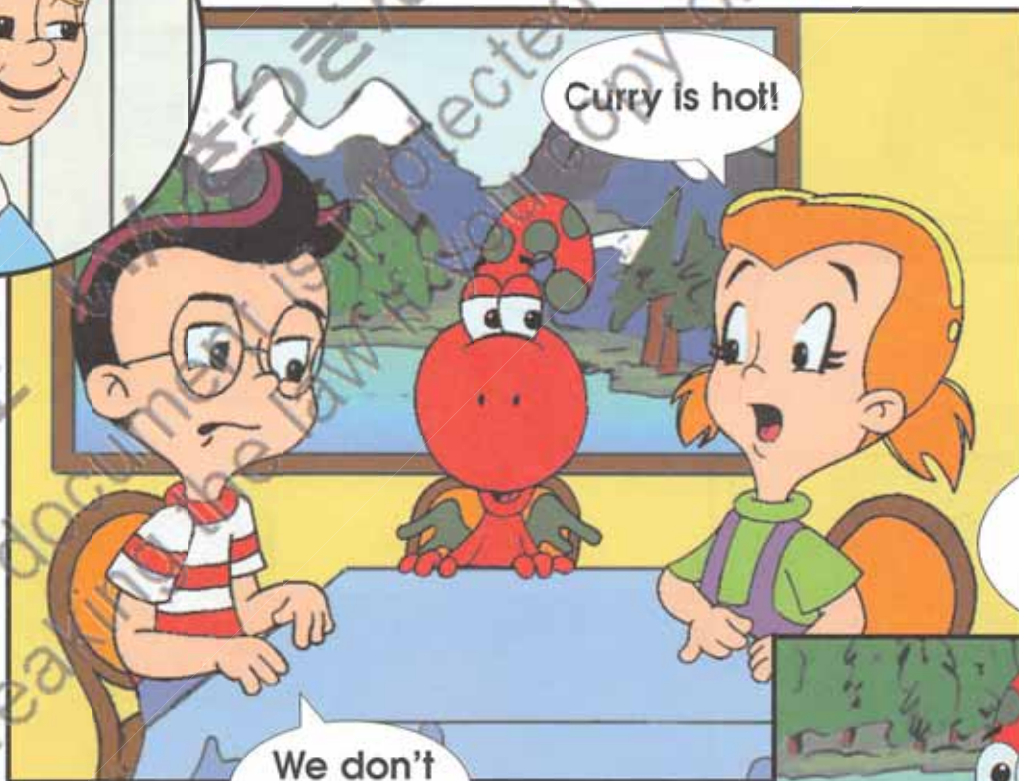

The girl covers her food so Gogo can't take it.

It's curry.

They don't like curry. I like curry.

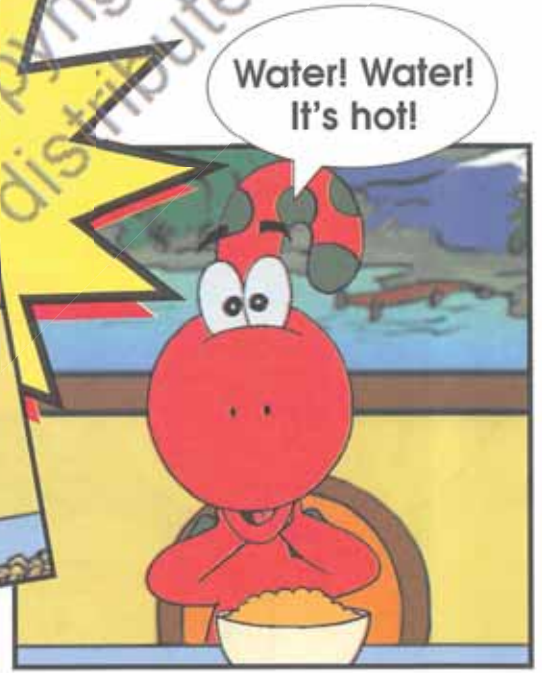

The food arrives.

Gogo tries the curry.

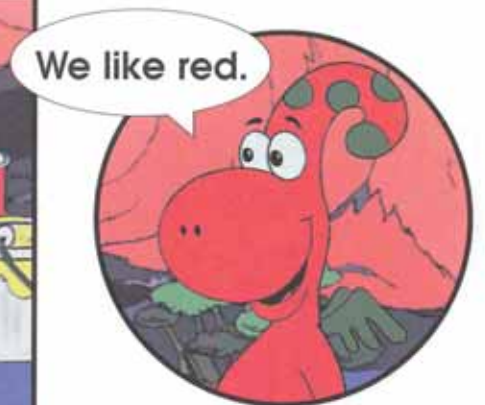

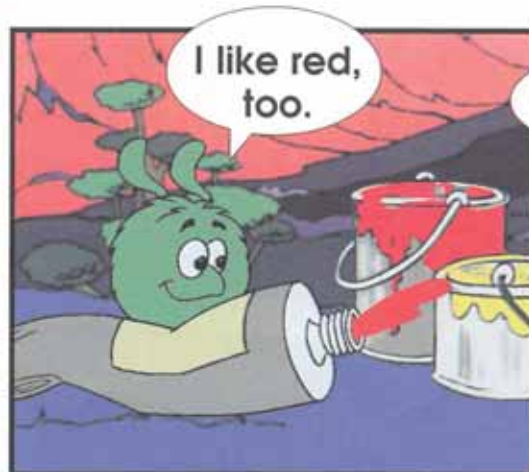

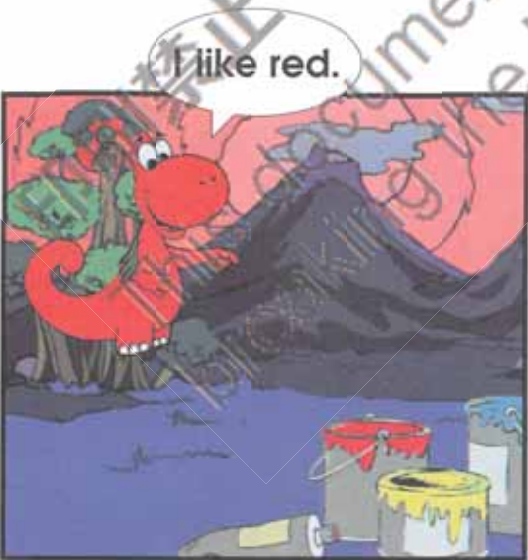

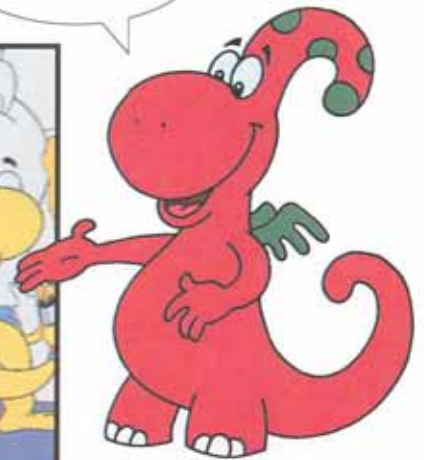

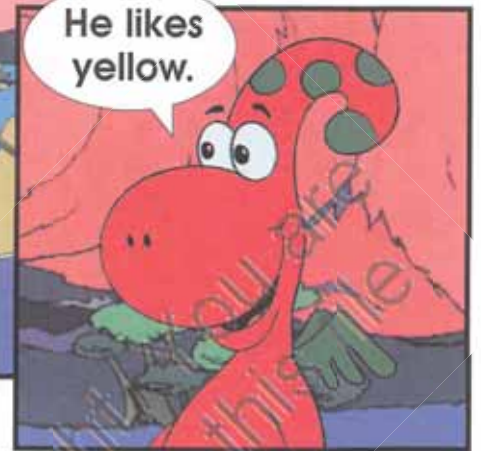

He takes the man's water.

Gogo goes home to his friends.

Let's sing a song.
