## Whose dress is it?

Gogo takes a dress out of the basket.

Tony is hanging the washing on the line.

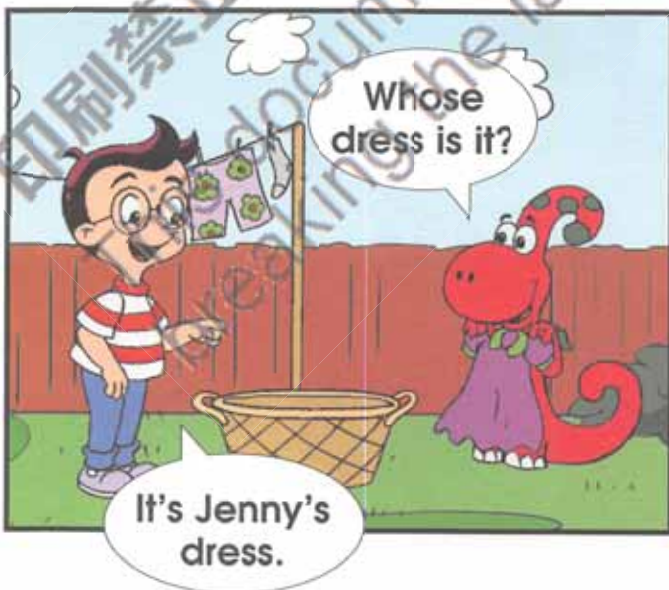

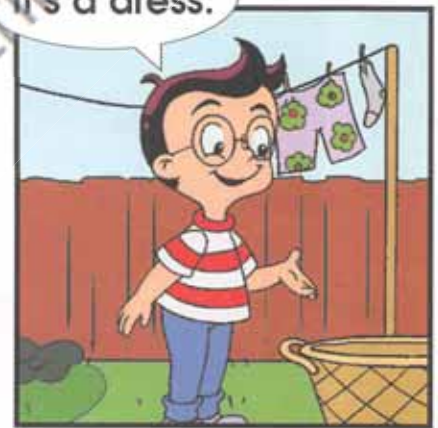

He talks to the dress.

Then he takes out another dress.

It's a dress.

Gogo puts on the dress.

Don't be silly, Gogo.

They finish hanging up the clothes and go inside.

Tony is talking on the phone.

I'm sorry, I can't play now.

Yes, Gogo's here. He's helping me.

Then he sees the bubbles.

Oh, no! Bye!

Gogo!  
What are you doing?

I'm washing!

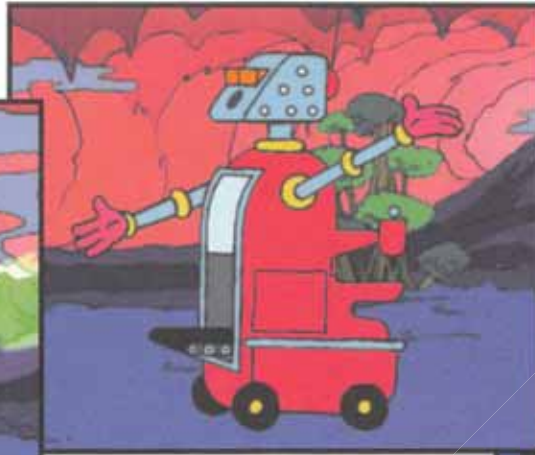

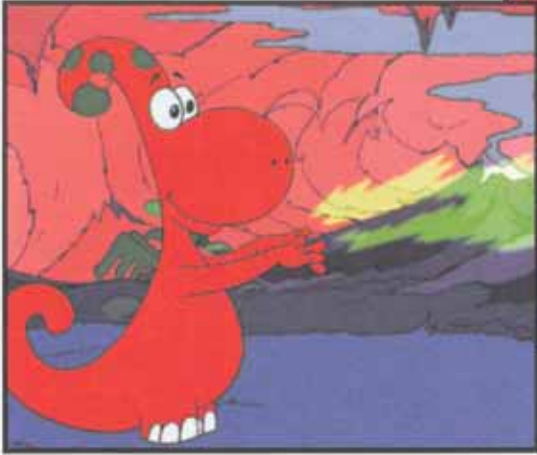

Oh, Gogo!

Gogo goes home. It's very hot.

Gogo makes a machine appear.

The machine makes hats.

for Tappy ...

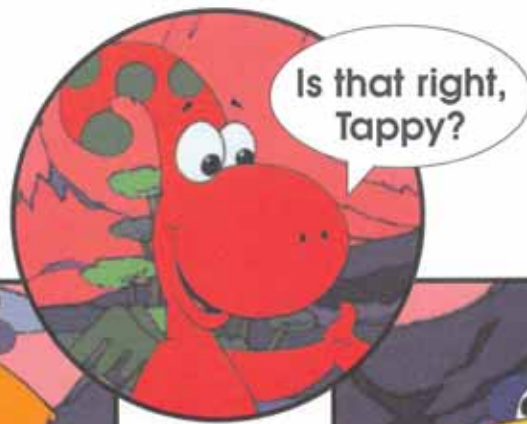

for Jeeby ...

and Pod.

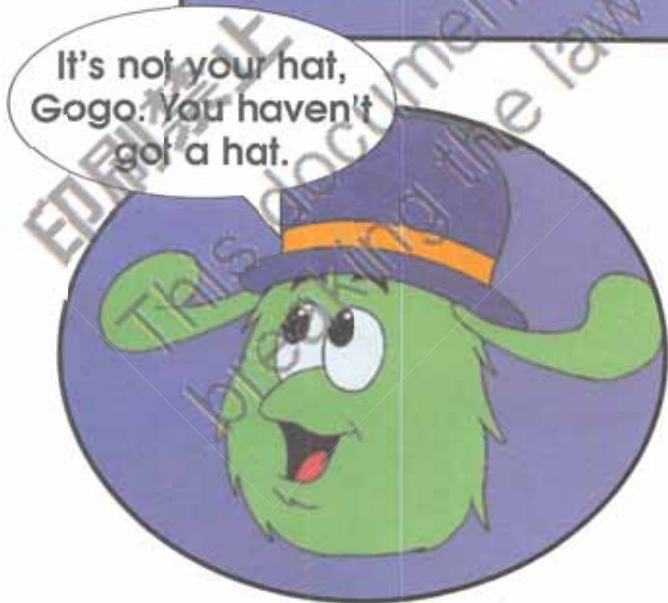

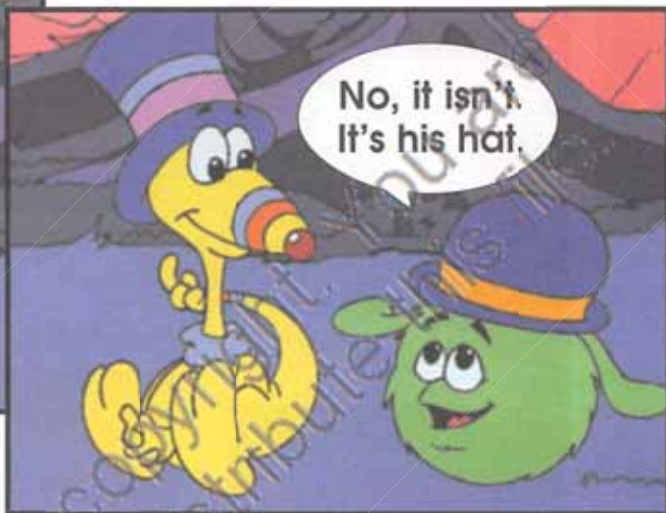

It's my hat.

Yes, it is. It's her hat.

Let's sing a song.

You are file.
