Gogo and his friends are going to the museum.

Gogo tries to touch the dinosaur.

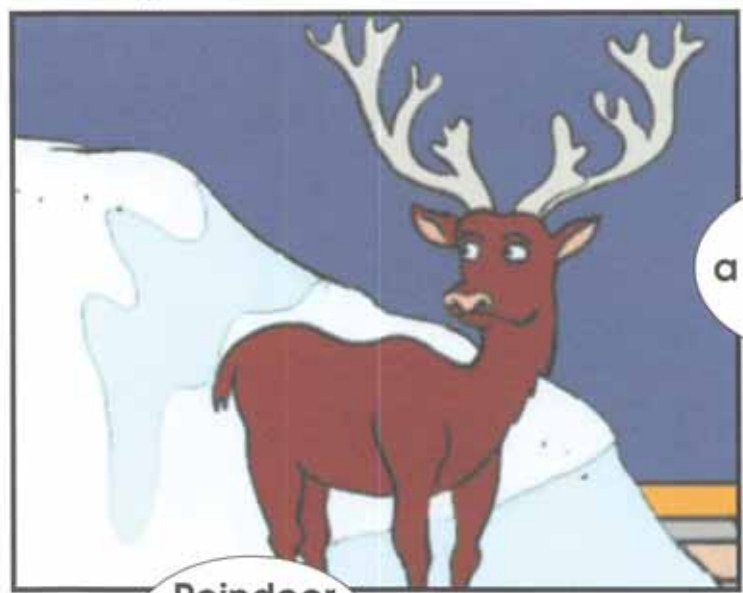

Gogo gives Tony some butterfly wings.

Next they see some reindeer.

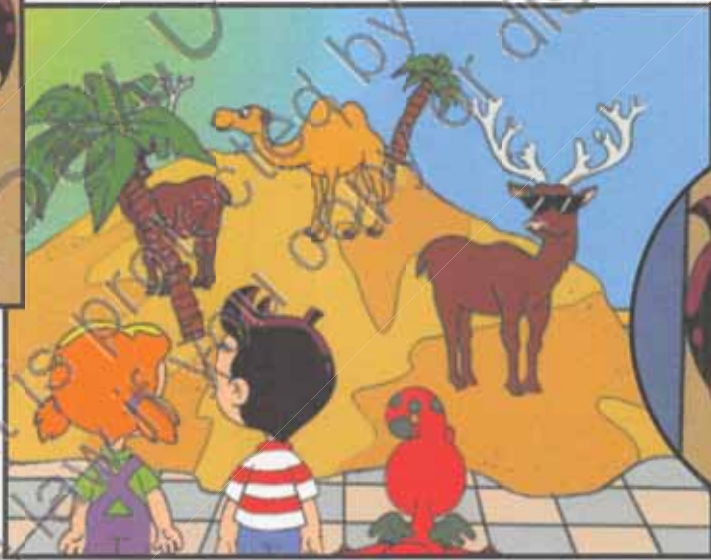

That's a reindeer, Gogo.

Reindeer live in cold countries.

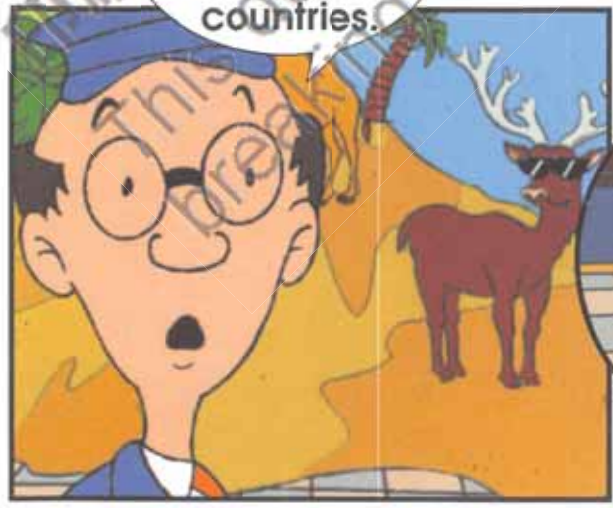

Gogo changes the weather.

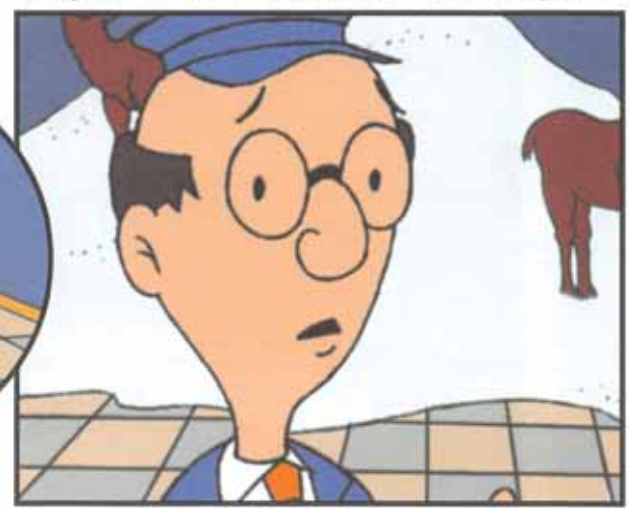

He's not a cold reindeer now. He's a hot reindeer!

This isn't right. Reindeer don't live in hot countries.

Gogo makes the weather cold again.

Then they see some masks.

Gogo changes the faces.

Look at these little soldiers.

I like little soldiers.

I don't believe this! What's happening here?

Gogo makes the soldiers move.

Gogo changes the car.

The attendant is shocked.

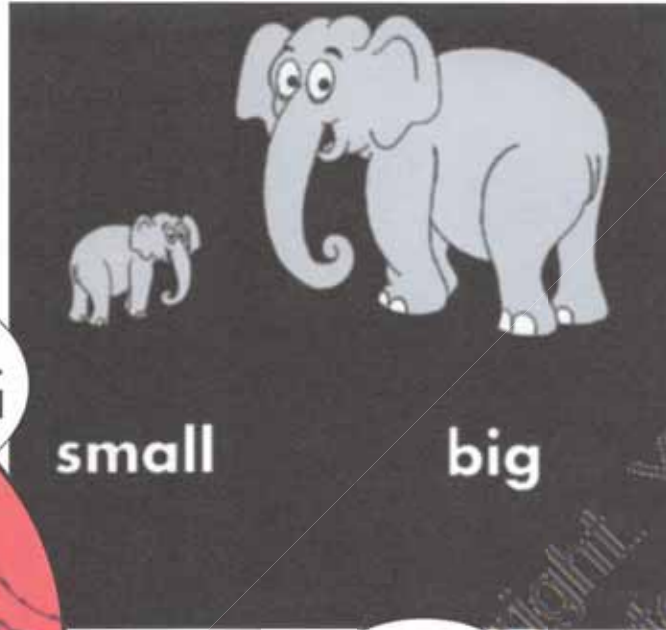

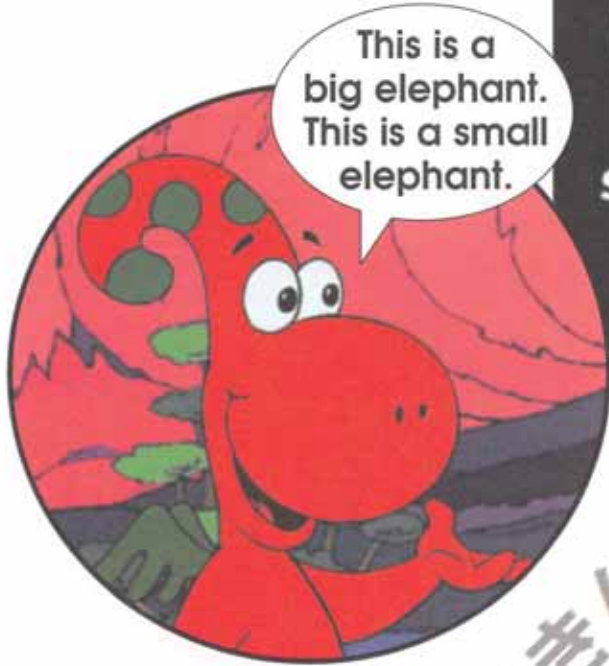

But Gogo has changed the car back again.

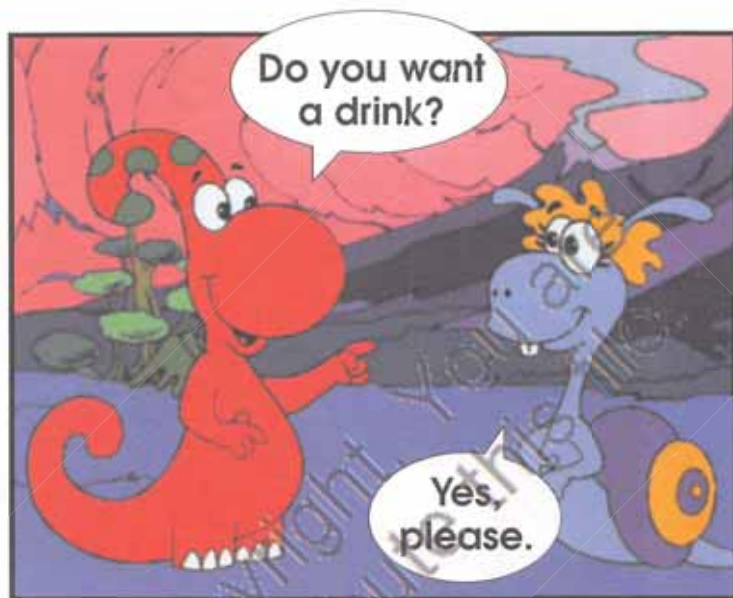

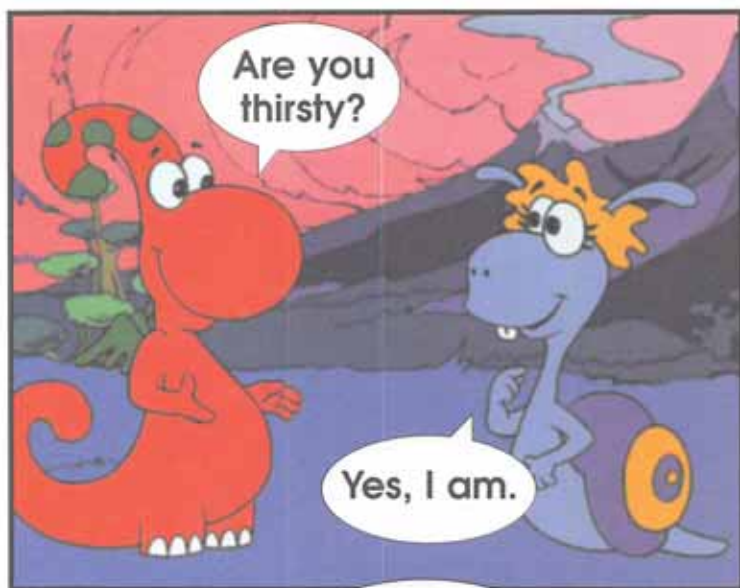

Gogo is at home now.

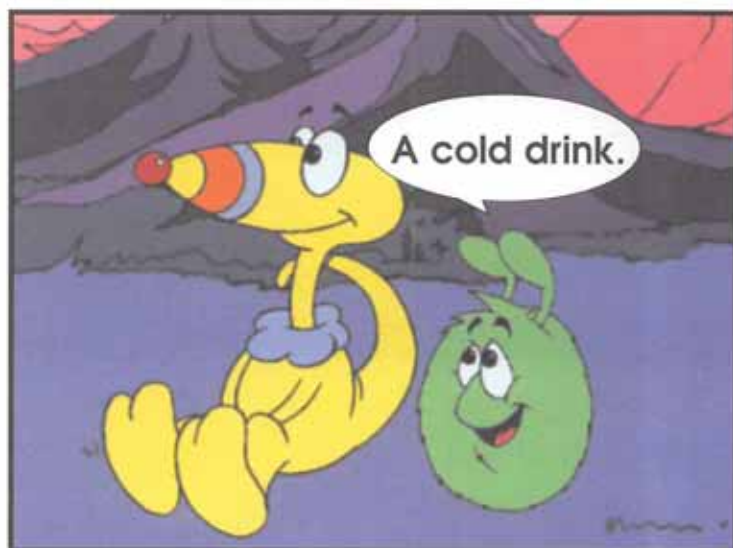

Gogo gives Tappy a hat.

Gogo gives Jeeby a hot drink.

I want a cold drink, too, please.

Gogo gives them both cold drinks.

Thank you, Gogo.

Then Gogo makes a car appear.

Oh! This is a new car.

He makes another car appear.

This is an old car.

Let's go!

Let's sing a song.

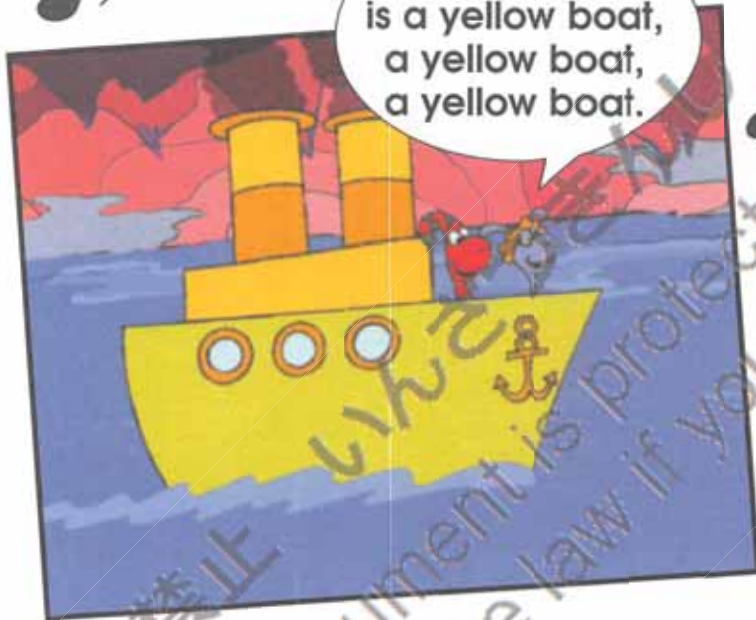

Our new car is a red car, a red car, a red car.

Our old car is a blue car. We like our old, blue car.

Our big boat is a yellow boat, a yellow boat, a yellow boat.

Our small boat is a green boat. We like our small, green boat.
