

IELTS SPEAKING

LESSON 12

Part 1 Questions

What do you use computers for?

Do you think computers are important?

Do you think a computer can give you better access to knowledge?

What was your impression (or feeling) when you used a computer the first time?

This document is for use in eTOC training sessions, use outside of eTOC is strictly prohibited.

Part 2 Questions

A Useful Website that You Like to Visit

You should say:

What the contents of the website are

How and when you first found this website

How often you go to this website

And explain why you think this website is useful

Part 3 Questions

The Internet in Society

Is the internet used very much by people in Japan?

Why do people use the internet?

What are the benefits that people get from using the internet?

How do you think these difficulties for old people could be overcome?

Students please do not hesitate to ask your coaches if there are things that you want to be clarified on.

Teachers, make sure that you have listened carefully to the student's answer. Make immediate corrections on any grammar mistakes committed. As you listen to the student's answer, make sure that you typed the sentences with errors and after the student said his/her answer make room for corrections.
