

IELTS SPEAKING

LESSON 16

Part 1 Questions

Do you have a mobile phone?

Name some electrical machines

What are the advantages and disadvantages of using mobile phones?

What do you think will be the future development of electronic devices ?

Part 2 Questions

Describe a machine or electronic device you would like to buy

You should say:

What special features it would have

How you know about it

How much it would cost

Explain how you would use this thing and why you like to have it

This document is for use in eTOC training sessions, use outside of eTOC is strictly prohibited.

Part 3 Questions

Electronic machines and devices

Do you think science and technology have affected modern society very much?

How have the changes in communication technology changed society?

What electrical appliances are generally used in Japan today?

Do you think there are any shortcomings from using electrical household devices?

Students please do not hesitate to ask your coaches if there are things that you want to be clarified on.

Teachers, make sure that you have listened carefully to the student's answer. Make immediate corrections on any grammar mistakes committed. As you listen to the student's answer, make sure that you typed the sentences with errors and after the student said his/her answer make room for corrections.
