## Part 3 Questions

### International Trade

*In general, do people in your country buy many things from overseas (imported things)?*

*Why do some people prefer to buy foreign products when locally made products are available and are cheaper?*

*Are you in favour of the idea that imported goods should be free from tax?*

*What role does international trade play in Japan's economy?*

Students please do not hesitate to ask your coaches if there are things that you want to be clarified on.

Teachers, make sure that you have listened carefully to the student's answer. Make immediate corrections on any grammar mistakes committed. As you listen to the student's answer, make sure that you typed the sentences with errors and after the student said his/her answer make room for corrections.
