Part 2 Questions

A Workplace that is conducive to productivity

You should say:

What kind of workplace it is

How you know this place

What people do there

And explain how you feel about this place.

Part 3 Questions

Going to Work

Are the current means of transportation in your country enough to accommodate commuters (both students and workers)?

What impact does the location of the company (or, the workplace) have on the company and on the employees?

Japan's population keeps on plummeting. How can the small population suffice the need for more manpower in the future?

What sorts of problems do you think people have when they move to another country to work?

Students please do not hesitate to ask your coaches if there are things that you want to be clarified on.

Teachers, make sure that you have listened carefully to the student's answer. Make immediate corrections on any grammar mistakes committed. As you listen to the student's answer, make sure that you typed the sentences with errors and after the student said his/her answer make room for corrections.
