Part 3 Questions

Discussion

- Have eating habits changed over time in your country?
- What are the disadvantages of today's diet?
- Who should teach children how to eat properly, parents or teachers?
- There is pollution almost everywhere. There are chemicals in almost all of the food we eat. How can we live healthily?
- People in rich countries waste tons of food every year. How can this be avoided?

Students please do not hesitate to ask your coaches if there are things that you want to be clarified on.

Teachers, make sure that you have listened carefully to the student's answer. Make immediate corrections on any grammar mistakes committed. As you listen to the student's answer, make sure that you typed the sentences with errors and after the student said his/her answer make room for corrections.
