

# IELTS SPEAKING

## LESSON 88

### Part 1 Questions

Do you buy things without having second thought?

What things do you usually buy in your daily life?

Do you think we need to check the quality or the product before buying?

What typical things can visitors buy in your country?

## Part 2 Questions

Describe something that you bought that you were dissatisfied with

You should say:

- What the item was
- When and where you bought it
- Why you bought it
- Why you were not happy with this product.
- Explain what you did with the product after you found that it was unsatisfactory.

## Part 3 Questions

### Price versus Quality

Which do you think is more important, the cost of a product or the quality of the product?

Why are imported products more expensive than locally made products?

Why do some people prefer to buy imported products to locally produced products?

Do you think the quality of famous brand name products is better than the quality of products that don't have a famous brand name?

Buying locally made products is a sign of patriotism? Do you agree? Why?

We should never buy imported products but patronize our own. Do you agree? Why?

Students please do not hesitate to ask your coaches if there are things that you want to be clarified on.

Teachers, make sure that you have listened carefully to the student's answer. Make immediate corrections on any grammar mistakes committed. As you listen to the student's answer, make sure that you typed the sentences with errors and after the student said his/her answer make room for corrections.
