

IELTS SPEAKING

LESSON 95

Part 1 Questions

- What career path did you plan for yourself?
- Did you ever dream of becoming a scientist?
- When you were a child, did you dream of becoming what you are now?
- Would you like to change your career path?

Part 2 Questions

Describe a plan you have for the future
(but not related to work or study)

You should say:

What it is

Why you have this plan

What the first step in your plan is

What you will need to do in order to make the plan work

Explain how you think you will feel after you achieve this.

Part 3 Questions

The Importance of Planning

In general, do you think planning is important?

What are the benefits of making plans?

For a person with children, what influence does this have on their personal plans for the future?

Do you think old people (60 and above) should make plans?

Do you think it's important for a person to have a career plan?

Do parents have much influence on young people's career plans?

Do you think it's important for young people to get advice from their parents when planning a career?

Students please do not hesitate to ask your coaches if there are things that you want to be clarified on.

Teachers, make sure that you have listened carefully to the student's answer. Make immediate corrections on any grammar mistakes committed. As you listen to the student's answer, make sure that you typed the sentences with errors and after the student said his/her answer make room for corrections.
