Do you want to go skateboarding?

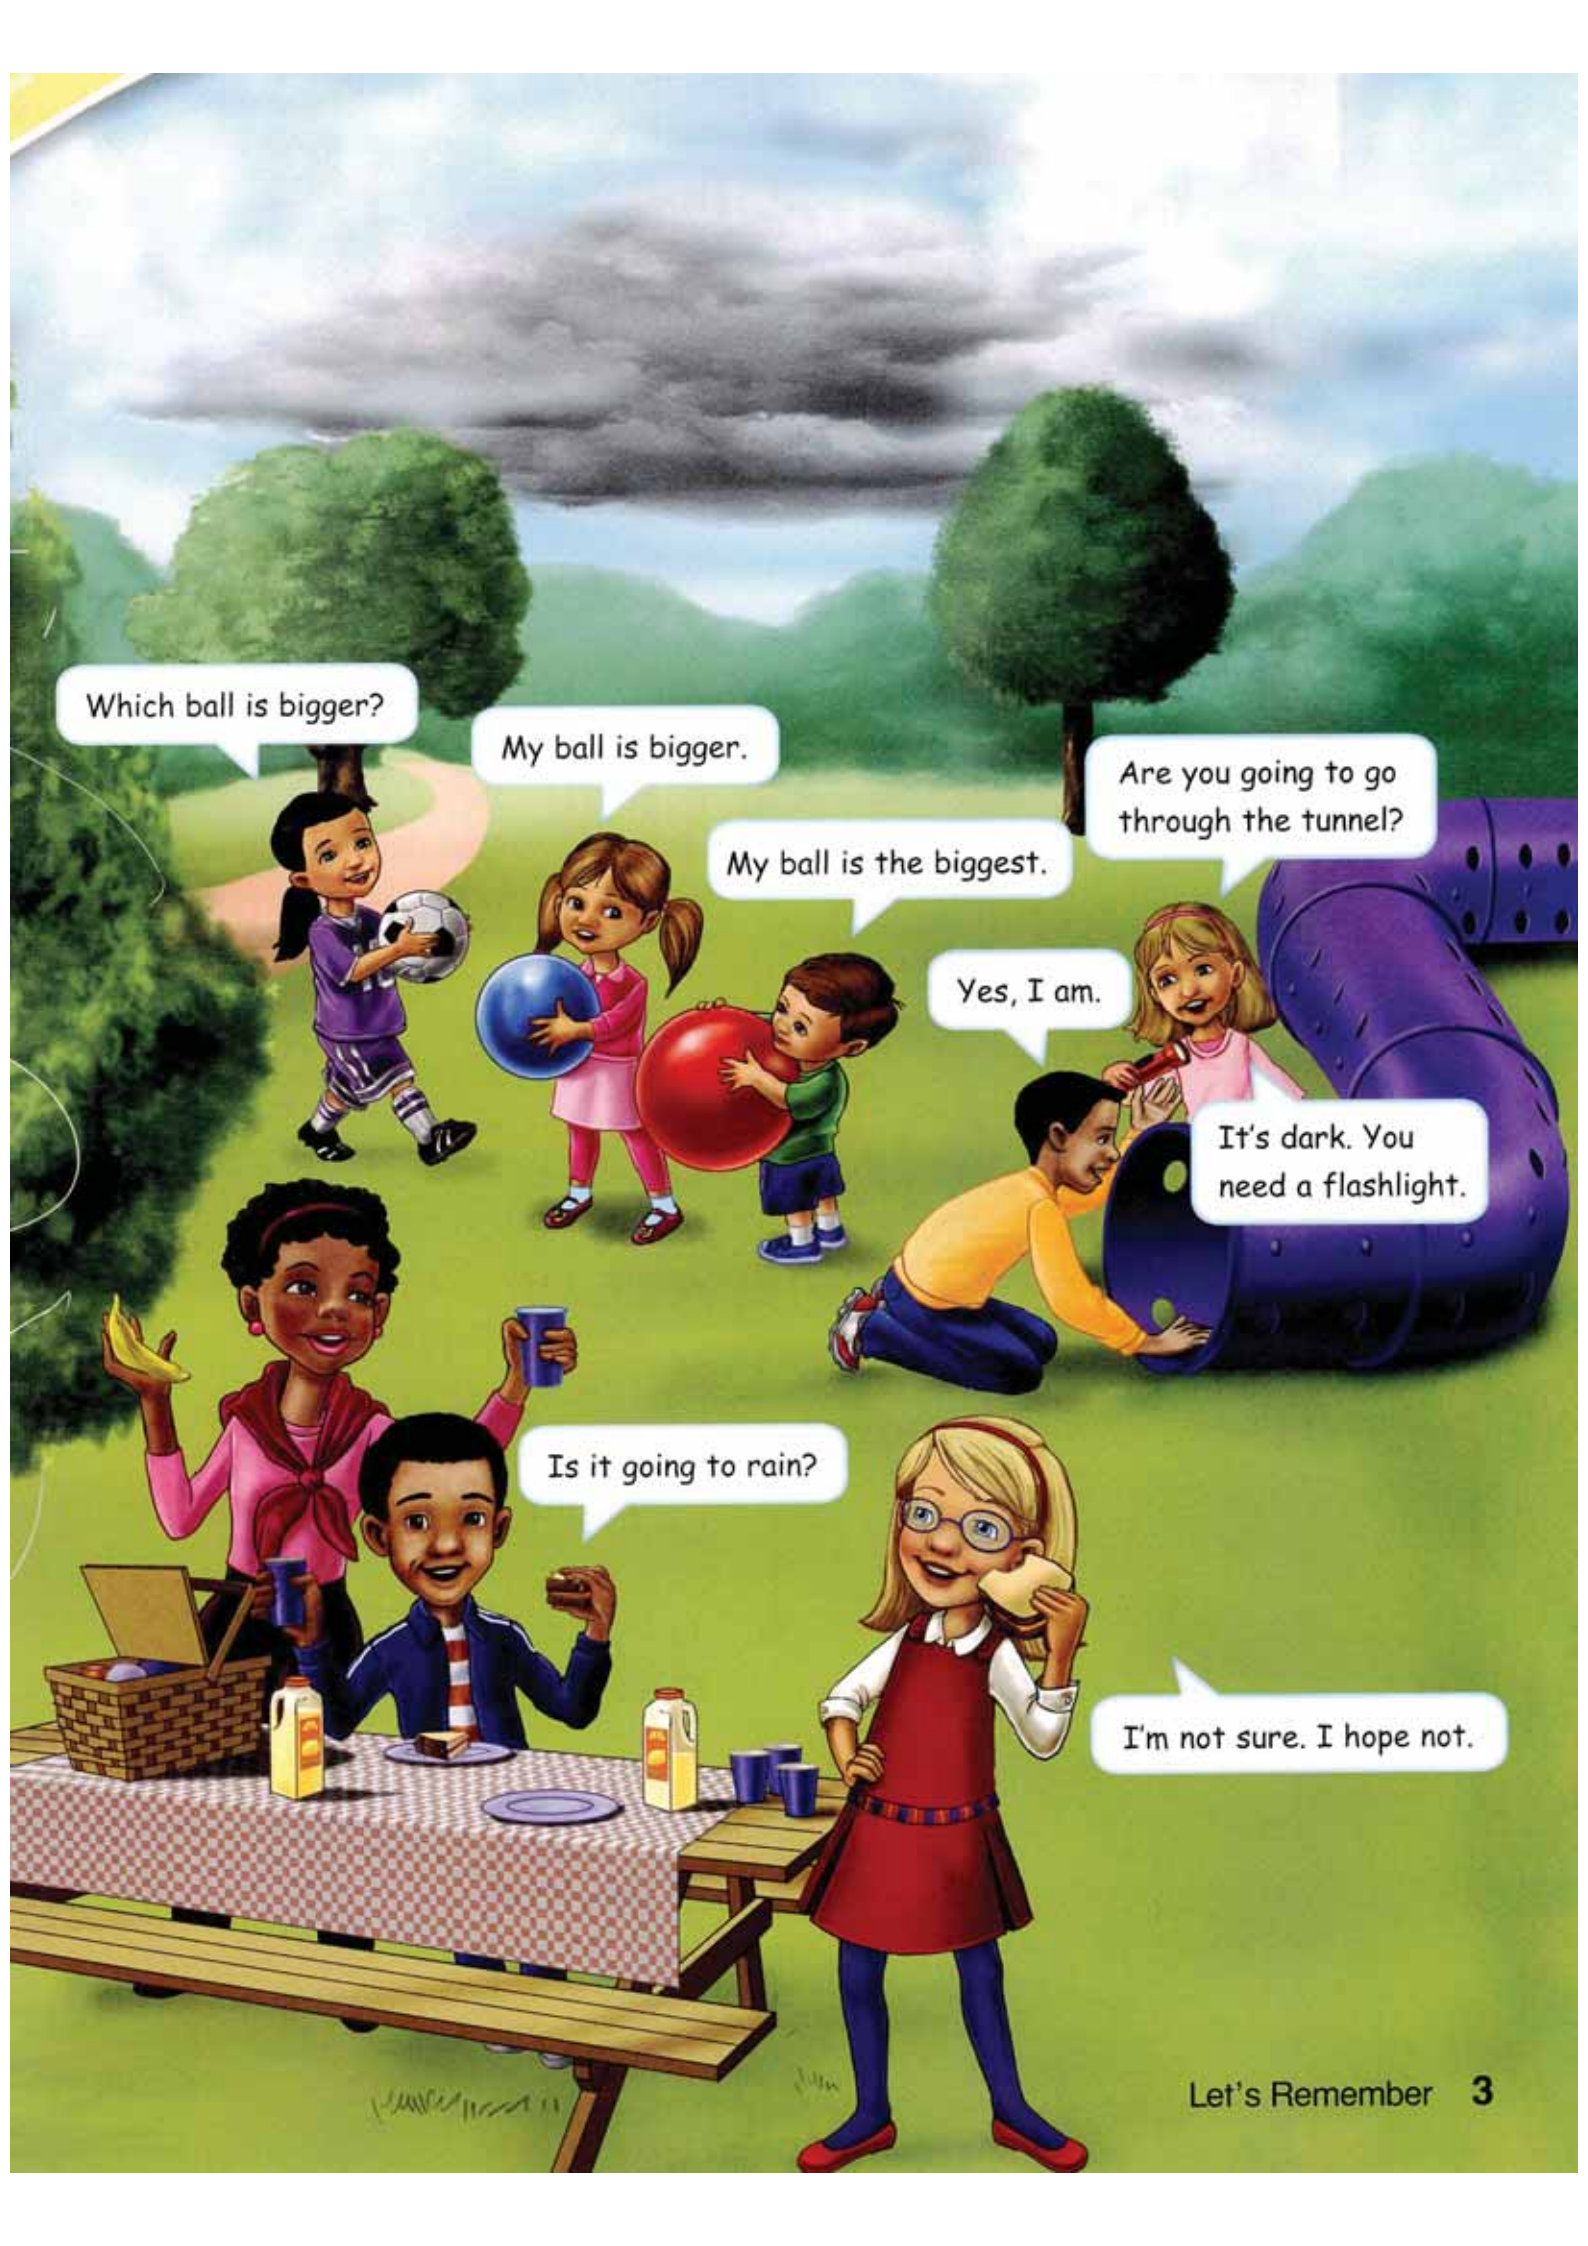

That's too bad.

No, thanks. I can't.  
I have a stomachache.

What happened?

I'm not sure. My kite  
was under the tree.  
Now it's in the tree.

Which ball is bigger?

My ball is bigger.

My ball is the biggest.

Are you going to go through the tunnel?

Yes, I am.

It's dark. You need a flashlight.

Is it going to rain?

I'm not sure. I hope not.
