Directions: Trace the dotted lines to finish the picture. Then, color the picture.

Name _____

Left to Right

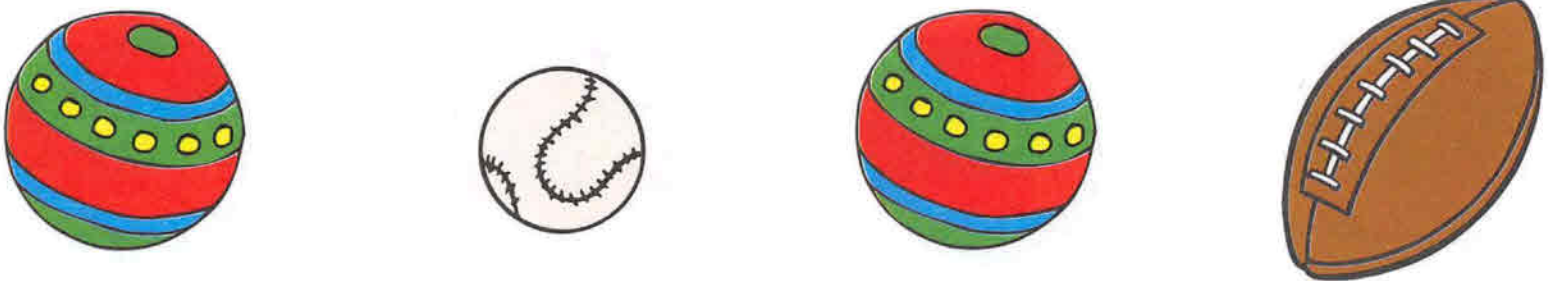

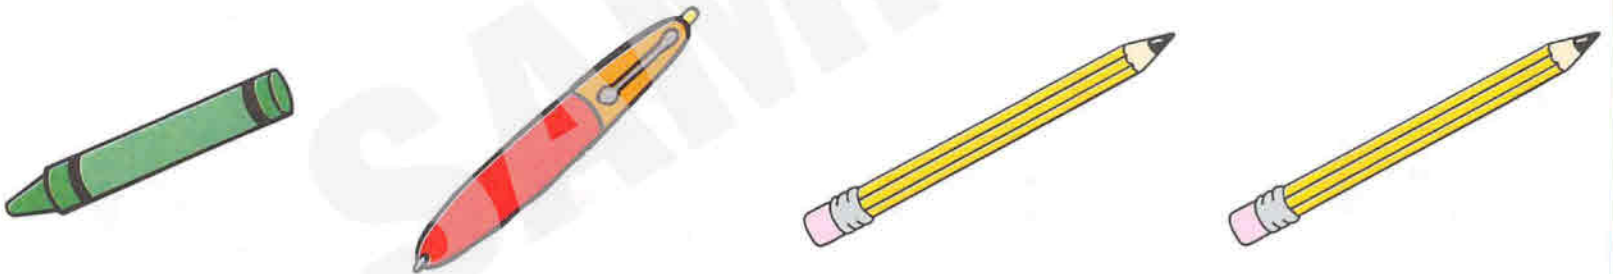

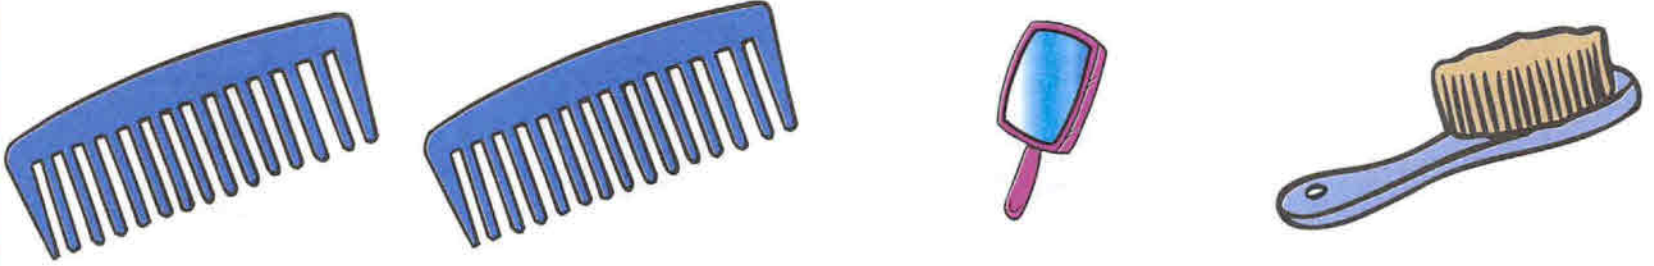

Directions: Trace each dotted line from left to right.

The image contains three horizontal panels for tracing practice, each enclosed in a rounded blue border. The top panel shows a boy on the left and a girl on the right. A dotted line starts at a yellow dot on the left, curves down, then up to a ball, then down, then up to the girl. The middle panel shows a grasshopper on the left. A dotted line starts at a blue dot, goes down, then up in a large arch, then down, then up in a smaller arch, then down. The bottom panel shows a boy kicking a ball on the left. A dotted line starts at a green dot, goes up and then down to a ball on the right.

Name _____

Same

Directions: Circle the two pictures in each row that are the same.

Name _____

Different

Directions: Draw an **X** through the picture that is different in each row.
