## INTEGRATED TASK

Now listen to two students talking.

Wo

**Question:** How are the students dealing with the situation surrounding the guest speaker?

Preparation time: 20 seconds

Speaking time: 60 seconds

Audio Tape scripts:

- (woman) Hey, Lee, are you going to the outdoor theater tonight?
- (man) What for? Is something going on there tonight?
- (woman) A guest speaker you said you wanted to go listen to is going to be there.
- (man) Which one? I didn't know about any guest speaker at the outdoor theater tonight.
- (woman) You know, the guest speaker from the governor's office. You said you wanted to go hear him speak.
- (man) But I thought that wasn't until next week. He's scheduled to speak next week. Not tonight.
- (woman) No, really. He's going to be speaking at the outdoor theater tonight. I just saw a notice posted over by the theater, and it said he would be speaking tonight.
- (man) Wow, I really thought it was next week. I have it written on my calendar that it's next week.
- (woman) I actually thought it was scheduled for next week, too.
- (man) You know, I really think the schedule must've been changed if we both thought it was next week and not tonight.
- (woman) Yeah, the schedule must've been changed, but if it was, then no one did a very good job of letting people know. There's just a sign over at the theater, but most people won't see it until it's too late.
- (man) I think we really should let our friends know.
- (woman) That sounds like a good idea. Maybe they don't know the speaker's tonight, either.
