## Chapter 2 Post-Test

4. Now, use the things you remembered about your first day of school to write a story below.

My first day at school was very busy. I got up early in the morning and ate breakfast. Then, I got dressed and went to school. At school, I met my new teacher and some new friends. We played games and learned new things. By the end of the day, I was tired but happy because I had a great time at school.

5. Did you write a good ending to your story? Use this space to write a conclusion.

I had a wonderful day at school. I made new friends and learned many new things. I am excited to go back tomorrow!
