PART OF THE SYLLABUS IN A HISTORY CLASS

One of the requirements for this class is that you watch a number of films on historical topics. You will be given a list of twenty films, and you are required to watch at least twelve of the twenty films. After you watch each film, you are to write a report summarizing the key information in the film. (If you want, you may turn in reports on more than twelve films for extra credit.) All twenty films are on reserve in the library, and you may watch them in one of the viewing rooms on the second floor of the library.
